

BriteSide™ Miracle Wash Aerosol Spray

BriteSide™ Miracle Wash Aerosol Spray is a unique dry car wash and polish that delivers outstanding performance and quick, easy and economical applications. No water is required.

Simply apply Miracle Wash using the aerosol spray can, work around with a towel and let dry to a haze. Buff with a clean towel until the haze is removed and wipe away to leave your car with a fantastic, professional shine and a super tough protective finish.

Specially formulated surfactants lift dirt and other particles from the surface of your car and hold them in suspension.

Miracle Wash then acts as a shield, protecting the surface from abrasion while you wipe the dirt away. It repels dust and light dirt particles and protects against the sun's ultra-violet rays.
